

On Tuesday 28th June 2005 a Rickshaw party arrived in Newcastle for a Reception by the Lord Mayor and Lady Mayoress of Newcastle. They had ridden from Durham via the Millennium Bridge (cheered by schoolchildren) and went on that day to Alnwick en route to the **MAKEPOVERTYHISTORY** rally at Edinburgh on 2nd July. Some campaigners from the North East were involved with this spectacle – as the following photos testify!!
