

Our 'Study Conference Roadshow' Programme

This year, we are running another series of our 'Autumn Roadshows' – a most attractive campaign feature which is possibly without its like anywhere in the world. Supporters bring MPH-NE to their own neighbourhoods, whether it be to a meeting in a village or church hall, a student group, a church service, a trade union meeting

The following gatherings have been held already as part of the (infinitely flexible!) series:

- Stannington (with Womens Institute), 10th September
- Bedlington (Bedlington Christian Fellowship), 4th October
- Hartlepool (Peace & Justice Group), 10th October
- Whitley Bay (incorporating Stand Up action with parliamentary candidates), 16th October
